

**COTS & COMPACTUMS:**

Our very popular sleigh cot is very sturdy with a beautiful smooth finish.

NATURAL PINE SLEIGH COT

WHITE SLEIGH COT

The drop-side cot can be made (like the one in the photos) with longer legs, which is kind to parents' backs!

The sleigh cot base's height is adjustable to 3 levels. It can be easily converted to a toddler bed / kiddie couch by removing one side.

The cots take a medium baby cot mattress (1270mm x 630mm).

We can supply top quality, custom made, water-resistant (soft, smooth taffeta material), covered foam mattresses and optional, removable, washable polycotton covers at superb prices.

**COMPACTUMS:**

This compactum has 4 large, deep drawers (900 x 900 x 600mm –drawer depth).

NATURAL PINE

This one has 5 drawers, 2 small at the top and 3 large underneath.

This one has 4 drawers and a cupboard with a shelf.

The "sleigh compactum" has towel rails on either side, a cupboard with a shelf and 3 drawers. It is 900 (high) x 950 (top width) [but the entire unit with its sleigh "wings" is 1150 wide] x 615 (wide /deep)

The drawers have telescopic runners to allow unrestricted access right to the back of the drawer.

EXTRA-WIDE COMPACTUM

Below are sample photos showing our stains (mahogany, antique and honey-oak). All of our finishes are smooth and sealed using non-toxic, high quality products.

Cots come flat packed, which makes transport minimal and are easy to assemble, with pre-drilled holes and screws and fittings included. Or you are most welcome to fetch items from the factory flat-packed or assembled (compactums cannot be flat-packed).
